Nestled in the African bush overlooking spectacular rocky hills.

Our venue exudes a natural charm, surrounded by untamed wilderness. Our property boasts of a large variety of birdlife, indigenous trees, squirrels, monkeys and klipspringer etc.

It offers the perfect setting for a romantic bush wedding, next to a majestic bonfire with it's amazing sunsets and misty mornings. Weathered wooden structures harmonize with the rugged landscape, providing an authentic and cozy ambiance.

Twinkling string lights adorn the open-air space, creating a magical glow as the sun sets behind the beautiful hills.

The serene sounds of nature add an extra touch to the unique and intimate setting for a truly unforgettable wedding celebration.

The glass chapel is a stunning mix of bohemian and natural beauty. It's transparent front wall offers an amazing view of the surrounding landscape.

The mini chapel is an intimate haven of charm, is rich in warmth and character, providing an enchanting space for an intimate wedding ceremony filled with love.

Our cuisine is a delectable symphony of flavors, carefully crafted to tantalize the taste buds. From savory appetizers to indulgent main courses, the menu promises a delightful and memorable experience for all.

About us...

BY GRACE AND BY GRACE ALONE...

We LOVE people and have always loved to entertain.

Our story is a very long story but the short of it is, this venue would not have existed without God's favor and grace..

We got married 5 December 1992.

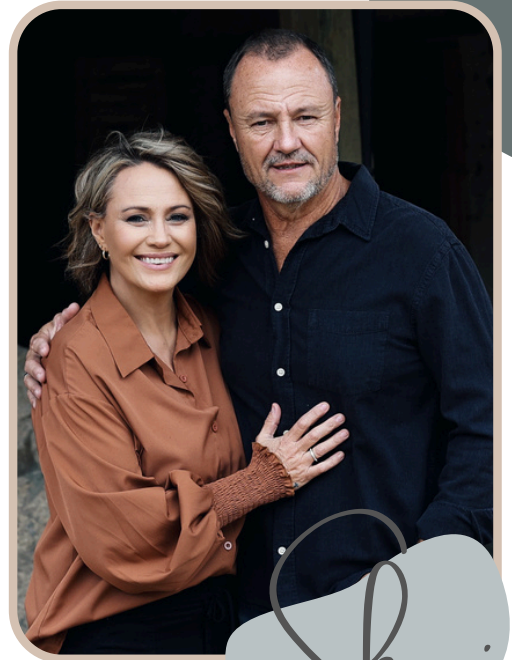

Danie always asks people how long they've been married and if they say 10 years he would joke and say don't worry they say the first 10 years is the hardest...

We truly believe it's God's heart for people to get married and it breaks our heart that so many people get divorced these days - I'm sure we will be able to write a book on marriage BUT that is just the thing - there are already so many books out there!!

So what is the secret to a long happy marriage? Um...

...can you hear the crickets yet?

Like with everything in life there is just NO guarantee for that and nobody knows what the future holds - the one thing we know is this - NEVER JUDGE & ALWAYS HAVE GRACE.
